CATÁLOGO | PAINÉIS DE PORTA E REVESTIMENTO

CATALOGUE | PANNEAUX DE PORTE ET REVÊTEMENT

EXCELÊNCIA NOS DETALHES

L'EXCELLENCE DANS LES DÉTAILS.

PAINÉIS DE PORTA E REVESTIMENTO

PANNEAUX DE PORTE ET REVÊTEMENT

Nota Importante:

Reservamo-nos o direito de alterar, sem aviso prévio, as características técnicas dos produtos aqui apresentados. Reservamo-nos o direito de retirar do mercado, sem aviso prévio, alguns dos produtos aqui apresentados.

Advertimos que, devido ao processo de foto-composição e impressão do presente catálogo, as cores, tonalidades e materiais poderão não representar correctamente as características finais do produto. Aconselha-se, por esse motivo, a consulta de amostras e/ou modelos.

Em utilização à beira-mar aconselha-se a substituição dos elementos de INOX por ALUINOX. Os puxadores não fazem parte das portas, são meramente exemplificativos.

Remarque Important:

Nous réservons le droit de modifier, sans avertissement préalable, les caractéristiques techniques des produits ici présentés. Nous réservons le droit d'enlever du marché, sans avertissement préalable, quelques-uns des produits ici présentés. Nous avertissons que, dû au proces (procès) de photocomposition et d'impression du présent catalogue, les couleurs, tonalités et matériels pourront ne pas représenter correctement les caractéristiques du produit.

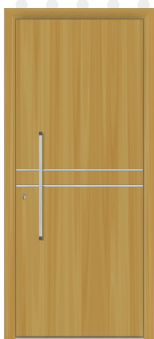

Nous conseillons, de ce fait, la consultation d'échantillons ou des modèles.

En utilisations près de la mer nous recommandons de remplacer les éléments en INOX par ALUINOX.

Les poignées ne font pas partie des portes, ils sont uniquement à titre d'illustration.

Garantia

Para que se possa accionar qualquer garantia, a reclamação deve ser apresentada pelo cliente por escrito e de forma esclarecedora, indicando os motivos justificativos da reclamação.

A garantia será válida sempre que:

Os produtos não tenham sido utilizados para aplicações diferentes daquelas que tenham sido originalmente concebidos.

Os produtos não tenham sido alterados ou modificados pelo cliente.

Os produtos não sofram danos ou defeitos não atribuídos à LUMARCA.

Não existir incorrecta manipulação do produto por parte do cliente, nomeadamente na utilização de produtos de limpeza inadequados (solventes, abrasivos, etc).

Os produtos apresentem defeitos de fabrico, até um período de 2 anos. Após verificação dos defeitos, proceder-se-á à substituição dos componentes com defeito de fabrico, sem obrigação de qualquer outro tipo de indemnização. A garantia não cobre defeitos originados no transporte, na instalação e na utilização. Todos os casos omissos serão objeto de estudo, após o qual actuaremos em conformidade com a situação.

Os lacados, anodizados ou qualquer outro tipo de acabamentos de superfícies estão cobertos pelas suas respectivas normas de certificação e qualidade. Caso o cliente seleccione um fornecedor para estes serviços diferentes dos seleccionados pela LUMARCA, esta declina qualquer tipo de responsabilidade nestes produtos.

Se depois da entrega, modificar ou manipular o produto, a garantia da LUMARCA considera-se anulada.

Garantie

Afin de déclencher toute garantie, la plainte doit être soumise par le client par écrit et de manière perspicace, en indiquant les raisons de leur plainte.

La garantie n'est valable que si:

Les produits n'ont pas été utilisés à des fins différentes de celles qui ont été initialement conçus. Les produits ne sont pas altérés ou modifiés par le client.

Les produits ne subissent pas les dommages ou les défauts non imputables à LUMARCA.

Q'il n'existe pas une mauvaise manipulation du produit par le client, y compris l'utilisation d'agents inappropriés de nettoyage (solvants, abrasifs, etc.).

Les produits présentent des défauts de fabrication, jusqu'à une période de 2 ans. Après avoir vérifié les défauts, nous procéderons à la substitution des composants avec des défauts de fabrication, sans obligation de tout autre type de compensation. La garantie ne couvre pas les défauts causés dans le transport, l'installation et l'utilisation. Tous les cas doivent être étudiés, après qui agira en conformité avec la situation.

Le laqué, anodisé ou tout autre type de finitions de superficielles sont couverts par leurs normes de certification respectives et de qualité. Si le client sélectionne un fournisseur pour ces services différente de ceux sélectionnés par LUMARCA, il décline toute responsabilité dans ces produits.

Si après la livraison, le produit est modifier ou manipuler, la garantie de LUMARCA est considéré comme annulé.
